

Freggie BINGO

Did you know that each fruit or veggie that you and your family buy at the grocery store comes with a little sticker called a PLU sticker?

Collect the PLU stickers from the fruits and veggies that you eat and play Freggie Bingo.

INSTRUCTIONS

1. When you eat fruits or veggies, keep the PLU sticker and place it on the picture of the fruit or veggie it comes from here on your Freggie Bingo card.

2. Collect 5 PLU stickers in a horizontal vertical or diagonal line to get a bingo. Keep going and try to fill the whole card!

3. Challenge your friends, brothers and sisters or classmates to see who can get a Freggie Bingo first!

4. Have fun!
